

THE PERFECT MATCH FOR YOUR SKIN

Silonda™ Sensitive

SKIN CARE LOTION FOR ROUTINE USE

Silonda™ Sensitive is a moisturising and nourishing lotion for frequent use throughout your working day.

- Light, water-based lotion
- Enriched with nourishing emollients to soften the skin
- Contains Beeswax for a protective layer on the skin
- Fragrance-free and dye-free
- Dermatologically tested

Silonda™ Sensitive

THE PERFECT MATCH FOR YOUR SKIN

Skin care is as important as washing and rubbing, for completely safe and healthy hands.

Silonda™ Sensitive is compatible with our range of hand disinfectants and will not neutralise their microbial efficacy.

INSTRUCTIONS FOR USE

1 Apply a hazelnut sized dab of cream to the back of the hand.

2 Spread the cream over the whole area using the backs of both hands.

3 Massage the cream carefully into the areas between the fingers and the sides of the fingers. Pay attention to the thumbs as well.

4 Cover the nails and cuticles with cream. The rest of the cream should then be massaged into the wrists.

PACKAGING AND ORDERING INFORMATION

PRODUCT	OUTER SIZE	ORDER CODE
