

# SOFT AND GENTLE HAND WASHING

## Seraman® Soft

Gentle hand and skin cleanser

Seraman Soft is a gentle hand and skin cleanser carefully formulated with additional moisturising properties, providing extra care for Healthcare Workers' hands.

Seraman Soft has been specifically developed for frequent use.

- ▲ Skin-friendly formulation
- ▲ Fragrance and dye free
- ▲ Dermatologically tested

# Seraman® Soft

Gentle hand and skin cleanser

## Why use Seraman Soft?

- ▲ Carefully formulated with additional moisturising properties, providing extra care for Healthcare Workers' hands
- ▲ Contains emollients to protect the skin from drying out
- ▲ Formulated with a blend of gentle surfactants to maximise cleaning efficacy and skin compatibility
- ▲ Fragrance and dye free formulation minimising the risk of irritation
- ▲ Skin neutral pH 5.5
- ▲ Dermatologically tested

## TRAINING & SUPPORT

To help increase compliance, Seraman Soft is supported with a range of training materials.

These include Ecolab's Hand Hygiene Usage Guide and application technique posters and cards that have been developed in line with the Who Guidelines on Hand Hygiene in Healthcare (2009).

Seraman Soft 1L bottle with integral pump

Seraman Soft 800ml pouch for use with lockable pouch dispenser

Wash technique backing poster suitable for use with 1L bottle holder or lockable pouch dispenser

# SOFT. GENTLE. CLEANSING.

## INSTRUCTIONS FOR USE

Apply Seraman Soft to wet skin. Please follow the hand wash technique to ensure the soap is applied to all areas of the hands, including those areas frequently missed. Rinse completely with water. Dry thoroughly using a disposable towel.

Recommended for use with Silonda sensitive skin care lotion.
